

NAME

cc_t, speed_t, tcflag_t – terminal special characters, baud rates, modes

LIBRARY

Standard C library (*libc*)

SYNOPSIS

```
#include <termios.h>

typedef /* ... */ cc_t;
typedef /* ... */ speed_t;
typedef /* ... */ tcflag_t;
```

DESCRIPTION

cc_t is used for terminal special characters, speed_t for baud rates, and tcflag_t for modes.

All are unsigned integer types.

STANDARDS

POSIX.1-2024.

HISTORY

POSIX.1-1988.
